

The Song House

Presents a celebration of Frank Purslow's book

Marrow Bones

With Trevor Hewett and Sheila Thackwray

Friday 16th September 8pm
The Blue Boar, Ludlow £2

In 1965 the English Folk Dance and Song Society published Marrow Bones, a collection of folk songs from the Hammond and Gardiner manuscripts, selected and edited by Frank Purslow. Many of the songs went on to be performed in folk clubs far and wide.

We are celebrating this great little song book with an evening of songs from the book. So, dust off your copies of Marrow Bones, come along and sing your favourite songs and maybe discover a few more gems from the collection. Singers welcome, but if you'd just like to come and listen, you will be welcome too!
